Reba: My Story

Synopsis

With the same straightforward honesty that made her one of America's top-selling female recording artists, Reba McEntire tells her phenomenal story. From her childhood in Oklahoma working cattle with her ranching family to her days on the rodeo competition circuit, from her early days as a performer in honky-tonks to her many awards and a sold-out appearance at Carnegie Hall, Reba relates her experiences with heartfelt emotion and down-to-earth humor. With the same warmth and generous spirit that infuses her music, she introduces us to the most important people in her life: the family and friends who sustain her and the musicians and producers who have inspired her and helped her realize her artistic vision. With great poignancy, she also recounts the lowest points of her life, the breakup of her first marriage and the plane crash that took the lives of eight of her band members; and the highest, her remarriage and the birth of her son Shelby. Her story is not only a chronicle of a remarkable life but a vivid testament of unshakable determination and faith in God. Reba: My Story is an intimate portrait of one of America's most beloved and successful entertainers. NOTE: This edition does not include a photo insert.

Customer Reviews

This is a well written book by Reba McIntire. Reba McIntire is one of the great talents in country music and she also has been successful on television. This book is very interesting and heartfelt. I enjoyed reading the book. I recommend this book without qualifications.

I'm a big fan but this is not that great of a book. Poorly written.

It is a good read if you are a fan BUT she repeats herself alot and of course it is pricey for a book more than 20 years old

alright

Good

What can I say....everyone LOVES Reba!! She had the same upbringing that my folks and mostly I had in the '50's! It's nice to know that shehad the same struggles ...the same ups and downs as the rest of God's creation and can still "get back upon her horse" time after time!! I amsure that when she and her "like" generation is gone..the world and our America will be the poorer for it!,,,

Easy read. Tends to jump around a lot but definitely in her own words.

This book is so awesome. When I started reading it I could not put the book down, I finished the book in two days. I would highly recommend this book for everyone to read.
