The ministries of T. L. and Daisy Osborn have made an unprecedented impact on the world in our time. They are valued among the great soulwinners of this century. Married at ages 17 and 18, the Osborns were missionaries in India at 20 and 21. In 1949 they instituted the OSFO International Gospel Center-a world evangelism and missionary church organization. Their life commitment: To express and to propagate the gospel of Jesus Christ to people throughout the world. Their guiding principle: The top priority of the church is the evangelization of the world. The Osborns have conducted mass crusades in over 70 nations, preaching to audiences ranging from 20,000 to 250,000 nightly and more. They have sponsored over 25,000 national preachers as full-time missionaries, reaching their own unreached tribes and villages. They have published gospel literature in 132 languages and dialects. They have produced documentary films and crusade tapes for public evangelism in nearly 80 major languages. They have provided airlifts and huge shipments of soulwinning tools for gospel missions and workers worldwide. They have furnished vehicles with films, projectors, screens, generators, P.A. systems, audio cassettes and cassette players, and great quantities of literature for evangelism abroad. They are energetic and prolific writers. T.L. Osborn's living classic, Healing The Sick-now in its 38th edition-has been a faith-building best-seller since 1951. Their big 52 page Classic Documentary--The Gospel According to T.L. & Daisy, is unmatched among Christian Publications. The Osborns have probably reached and led more unreached souls to Jesus Christ in non-Christian lands, and may have witnessed more great healing miracles, than any other couple who has ever yet lived. Their team efforts in world evangelism are truly pace-setting as they proclaim the good news to the world: that Jesus Christ is the same yesterday, and today, and forever. (Hebrews 13:8).

This isn't a book you can read at your leisure. It will take some searching of his referenced scriptures! I am currently in a situation, I need healing. If you're serious and need encouragement, this is the book to read.

This book compiles every verse in the Bible that declares and illuminates all the blessings that come upon a believer that were accomplished at Calvary by our Savior, Jesus Christ. This book will change your thinking, and thinking right will change your life for your good and the good of all whose

lives you influence.

This book is wonderful for the Christian who wants to be involved with their church healing ministry. You will learn everything you need to know to be successful in using God's power to help people be healed of every disorder and sickness through Jesus Christ.

My family is studying this book as an evening devotional, and it is changing our lives and the way we think about our relationship to Jesus Christ. Healing is coming to our house after years of sickness and disease. I strongly recommend this book for all Christians!

Highly recommend !!! ,For any Bible believer~ if you are sick or know someone sick this is the book for you. It is packed with irrefutable evidence from the Bible that God indeed wants His children well. Dont sit & wonder about Gods will in the matter of healing. You can know His will for you from reading His word. The Word of God is the Will of God! The author of the book T L Osborne lived what he preached & proved the Word of God to be true. He went home to be with the Lord after a full life & had no sickness when he departed , Just passed away peacefully.PACKED with awesome scriptures.

This book is EXCELLENT. It really gets to the heart of what Jesus died for on the cross. We accept His death as forgiveness for our sins, yet we hesitate on accepting His gift of healing "and by your stripes I am healed"

Excellent
