Plant Cold Hardiness: Gene Regulation And Genetic Engineering

Synopsis

We compiled this volume mostly from presentations at the 6 International Plant Cold Hardiness Seminar (PCHS) after consulting with Professor Tony H. H. Chen, Oregon State University, USA, Professor Pekka Heino, University of Helsinki, Finland, and Dr. Gareth J. Warren, University of London, Surrey, UK. The 6 International PCHS was held at the Unitas Congress Center, Helsinki, Finland from July 1-5, 2001. There were 110 registered scientists at the serttinar representing 20 countries: Australia, Belgium, Canada, Chile, the Czech Republic, Denmark, Estonia, Finland, Germany, Hungary, Iceland, Italy, Japan, Norway, Poland, Spain, Sweden, Taiwan, United Kingdom, and United States of America. The information compiled represents the state of the art of research in plant cold hardiness in terms of gene regulation, gene expression, signal transduction, the physiology of cold hardiness and, ultimately, the genetic engineering for cold tolerant plants. The International PCHS was initiated in 1977 at the University of Minnesota, St. Paul, Minnesota. It has been traditionally held at 5-year intervals at various locations. Because of the rapid advances of research in plant cold hardiness, attendees at the 6 meeting unanimously adopted a resolution to hold the seminar in 3-year intervals instead of 5 in the future. Consequently, the next seminar will be held in 2004 in Sapporo, Japan, and Professor Seizo Fujikawa from Hokkaido University will serve as the host.

Book Information

File Size: 5269 KB

Print Length: 294 pages

Publisher: Springer; 2002 edition (December 6, 2012)

Publication Date: December 6, 2012

Sold by: Digital Services LLC

Language: English

ASIN: B000WEG1OI

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Not Enabled

Lending: Not Enabled

Enhanced Typesetting: Not Enabled

Best Sellers Rank: #4,179,093 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #49

in Books > Crafts, Hobbies & Home > Gardening & Landscape Design > By Climate > Colder

Climates #530 in Kindle Store > Kindle eBooks > Nonfiction > Science > Biological Sciences > Plants > Flowers #593 in Kindle Store > Kindle eBooks > Nonfiction > Science > Biological Sciences > Plants > Trees
