# Learn Japanese - Parallel Text - Easy Stories (English - Japanese)

## Synopsis

Learning Japanese with parallel text is the most rewarding and effective method to learn a language. Existing vocabulary is refreshed, while new vocabulary is instantly put into practice. Recommended for intermediate level learners of Japanese and as a refreshers course. Kanas & Kanji are used for the texts. Furigana has not been added. A good basic understanding of Japanese would be recommended to achieve the maximum learning effect and pleasure from this book. Our entertaining stories contain European culture and characters. Our books are fun to read so you maintain concentration and learn from motivation.

## Customer Reviews

This already assumes that one can read kanji. For complete beginners, it would've been better if there's just a kana or plain romaji texts alongside kanji, it would've helped tremendously in learning and understanding the Japanese syllabaries.
