Customer Reviews

James Duigan was born in England but grew up in Australia. His clients include Elle Macpherson, Holly Valance and Lara Stone, all of whom turned to him for advice during their pregnancies, as well as Rosie Huntington-Whiteley.

The book was all that I hoped it would be! James does a great job with describing nutrition & exercises that will benefit you in each stage of pregnancy (including pre-pregnancy health and the 4th trimester). He gives numerous examples of ways to cope with specific pregnancy stages such

as morning sickness, exhaustion, etc. He not only gives you ideas on how to stay healthy while coping, but always supports you in listening to your body and doing what is best for YOU! I'm so glad I got this!
