I do like Ron Roth so I'm not "impartial". But this CD is practical, wise and comforting. I often play it at night and fall asleep to it. If you are in need of emotional, psychological and/or physical healing, this is a great CD for you. Ron Roth is never judgmental and the love he had (he has passed on) for human beings comes through clearly in his words and voice. I think it is appropriate for anyone, even if not "religious" or belonging to any particular faith. As long as you are willing to trust in a Higher Power, then I feel this CD would be helpful and is definitely worth more than the purchase price.

Very well needed when any physical challenges attacks the body. I have it playing in my study area while I am doing something else. It is so comforting and reassuring of the Divine Presence. I ordered a few and gave one to a friend who recently got diagnosed with a benign lump in her breast, and along with her prayer life this really helps her to keep her focus on Spirit. I enjoy it and so does she, I have one extra on hand now waiting to give to someone.

Ron Roth holds a B.A. in philosophy, an M.A. in theology and a Ph.D. in religious studies. He is a best selling author and modern day mystic, has brought healing to thousands of people through a powerful, supernatural grace he discovered over 30 years ago. He takes the listener through a number of prayers for healing with words inspired by the Holy Spirit. All the listener has to do is relax and open their mind and heart to Divine Healing as he prays for you and with you. I would highly recommend this cd for anyone with pain or sickness who is seeking healing. All of Ron's tapes or books are wonderful. He is one the most spiritual, sincere, loving and kind teachers & healers of our time. (...)

Very nice CD for relaxing and falling asleep. Soothing voice. Just wish the music was continuous and not "broken up

Very helpful during wakeful nights, or stressful days and nice to enjoy listening to it with earphones, quietly and restfully. It also brings spiritual insight into mind while listening.

The healing prayers and meditation on this tape are spoken in the soothing, loving voice of Ron Roth. My first experience with anything by him, but definitely not my last. It had a very powerful effect on me and my healing process, and has done the same for friends I have shared it with or recommended it to. Even if you don't need a specific healing, this tape is calming, a perfect aid for this hectic crazy world, and helped me regain and strengthen my spiritual connection. Ron Roth's prayers help open us up to knowing the Holy Spirit is always here for us.

I have found these prayers to be a wonderful tool for healing meditation. I use them morning, noon, and night. They have helped me to connect more powerfully to God. My only criticism is that the background music fades in and out too often. I would prefer a more continuous flow of music.
