Very helpful and full of information!

Great insight into places to see and go. We just came back from our vacation on Waikiki Beach, and this book was a very helpful tool. 4-stars since it could include more helpful information like restaurant happy hours and more information about transportation.

Some information a bit out dated, but OK for a general guide.

arrived new and as described

Received as advertised.

Great travel guide. Has a lot of information that is current and accurate. Comes with a very handy map that helped us get around Oahu in our rental car.

Great information!
