# Travel Jakarta, Indonesia 2012 - Illustrated Guide, Phrasebook And Maps (Mobi Travel)

## Synopsis

This illustrated Travel Guide is designed for optimal navigation on Kindle and other electronic devices. It is indexed alphabetically and by category, making it easier to access individual articles. Articles feature information about attractions, landmarks, districts, transportation, cultural venues, dining, history and much more. Addresses, telephones, hours of operation and admissions information are included. The guide is complimented by clearly marked maps that are linked to city attractions. An interlinked phrasebook and a pronunciation guide are also included. **NEW FEATURE:** The attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to.

## Customer Reviews

I have this guide on my Kindle and apart from reading some of it prior to my trip, I read some more on the plane and more while in Jakarta as I needed. I've found all the info on culture, customs, transportation, shopping, attractions, etc. to be accurate and very valuable to my travel. Thanks.
