Love In Lilac

Synopsis

He smiled slightly. "I want all the strings. When you go home next week, I want to get in my car and drive all the way there just to see you. I want to ask permission for you to come for the weekend. Whatever it takes." I coughed. "Wh-why? I'm not rich or important or any of the things you're used to." "Maybe not, and maybe I wouldn't have asked you out before. But now I have, and I can't possibly go back to my life before Lilac."-----Apollo Adderly was the most beautiful sight a girl could ever behold, and he just might make this false vacation worth all the trouble for Liane Arnoult. Dragged off to see her father, she has no intention of accepting his apology. What he's done is simply unforgiveable. Yet maybe in matters of the heart, she doesn't know everything she should, and maybe this boy she's come to adore, who fondly named her Lilac, will teach her the most important lesson of all. The lasting power of love. From the best-selling author of *ME & TIMOTHY COOPER*, Suzanne D. Williams brings another sweet young adult romance. 28,000 words.

Customer Reviews

Liane "Lilac" Arnoult is in a guesthouse anticipating a visit from her father during a 2-week stay. She went outside and it wasn't until her brother, Curtis, bumped her forward that she met the cute pool boy Apollo Adderly, or as Liane likes to call him, sun-god. Lilac is very frank & straight forward knowing what Apollo is probably thinking. There's something behind this bubbly girl that's keeping her down, though. Apollo Adderly knows never to mingle with the people from the guesthouse, but he does know Liane only will be here for 2 weeks. He's attracted to her because of her frank/honest attitude, but his heart is guarded and he likes to be comfortable. But why? What happened to Apollo before Lilac? Both Apollo & Lilac have a problem and it seems that only fate brought them together to help each other fix their troubles. Lilac and her frank attitude helped bring Apollo out of his shell while Apollo helped Lilac find the way to forgive. Liane has 2 names for 2 different girls. Lilac is the straight-forward girl who will say anything on her mind and has no worries (this name given by Apollo). Liane however is the girl hurt by what happened to her/her family and can't seem to forgive nor forget it. The supporting characters, Stefan, Melissa, Christine, Curtis, and Lilac's parents, Clyde & Lydia, were good for the story. I appreciated, once again, Suzanne mentioning saving sex for marriage (no the book is not religious). The ending however was special. It wasn't your dramatic ending (like I wanted) but perfect for this story. Overall, a perfect story with twists & turns but mainly love all around.

There was a young lady by the name Laime, who was on vacation with her family, she met a young man named Apollo both were attracted to each other. Laime came from a dysfunctional family whose father left home, which caused Laime to become angry, resentful, and rejected. Apollo's ex-girlfriend left him for someone else, who also became pregnant and was hurt, angry, and rejected, both were fascinating characters. Laime had a discerning eye when it came to people she had spoken with; she was different. She stood out from among the crowd. Apollo had a caring heart; he put others above his own needs, was compassionate, and had a sensitive and discerning beautiful character. Sometime God will bring two people together who have been wounded in order to heal others, because you know what it feels like you've been there and you wouldn't want to hurt others, you can't heal what you don't feel. Apollo and Laime had each other's backs; they covered one another. This is what true relationship is all about, not hurting people, but lifting each other up. Give this book Five Stars! Appreciate you! Mary Smith

I love to read just anything that Suzanne D. Williams writes! She's a master story-teller, and this new one is great. The story holds my interest, and I have a hard time putting it down.

Pleasant reading, Enjoyed reading story without lots of improper or immoral actions. Great ending to a sweet story. Would like to read this author again

Great short summer read.

I enjoyed this sweet love and romance, a Christian one, too! It was quite a very good thing about how Appollo had chosen to be a good friend to Liann and then even when it really was painful he even chose to invite his ex-girl friend to go out with Liann (he called Lilac) and friends to a restaurant to celebrate a promised steak dinner even though he did not really wish to do so. A very inspiring story! For all of these reasons this is why I feel this ebook needs five stars. I recommend this ebook for teens on up. I received this ebook for free and in exchange for my honest review.

Great job Suzanne! By Angela

I really enjoyed reading Love in Lilac. The writing is so good, you feel like you are there. This is a great book for YA and parents to read. Sometimes parents forget what it was like to be 17 and having problems. I would recommend this book for everyone. Thank you Suzanne D Williams for another great book.

Love in Lilac is a quick read that follows two teens through two weeks together when her family rents his family's beach house. They grow close during that time as the girl opens her heart and reveals her family's past.
