This guide is a great resource to find hidden walking gems all around Austin.

handy reference guide and small enough to carry in backpack during hiking

Descriptions are really useful--I know enough about the terrain from the author's descriptions to know NOT to choose what seems to be an easy 3-mi Sat morning hike when it's actually very hilly and difficult. Thanks, Keith!

This was a gift for friends moving to Austin. It is easy to read and easy to locate places. I predict heavy use of this book.

I purchased this book for a friend who enjoys hiking. He called shortly there after to thank me for giving him this book, and to let me know he was wasting no time exploring some of the exciting trails in Austin. I would definitely recommend this book to other hiker enthusiasts.

Very easy to understand. I look forward to using this on my next trip to Austin.
