I was expecting a more clear instruction and more tips to learn to play the harmonica then this book provides,I am making progress to learn to play with this book but its not what I was hoping for.

The listing should be titled "Pocket Playbook". This is just a little bitty thing, around 2 3/4" x 4", with a spiral binding on the narrower edge. It is not a replacement for a true beginner's book, but is filled with the basics and helpful tips to get you started. I bought it as a stocking stuffer, (along with the Johnson "The Blues King" harmonica in C), and for that purpose, it is perfect!
