# The Joy Of Bird Feeding: The Essential Guide To Attracting And Feeding Our Backyard Birds

## **Synopsis**

The Joy of Bird Feeding is the ultimate reference for backyard bird watchers and bird feeders. It offers practical tips and solutions to attracting and identifying birds, offering the best foods for the birds you want to see, and how to deter those unwanted guests to feeding stations. Each chapter focuses on an important aspect of the hobby and guides readers to the essential steps of bird feeding mastery: Founder of Wild Birds Unlimited, Jim Carpenter brings a lifelong passion for birds and bird feeding along with real solutions to make anyone's backyard a paradise for the birds and for bird watchers.

## **Customer Reviews**

"Nobody in the world knows more about the science and art of feeding wild birds than Jim Carpenter . . . . Cover to cover, this fact-filled manual is a delight to read." •John W. Fitzpatrick, Louis Agassiz Fuertes Director, Cornell Lab of Ornithology

In 1981, Jim Carpenter opened a 700 square foot retail shop on the north side of Indianapolis and named it Wild Birds Unlimited. This unique shop, one of the few open in North America at the time, specialized in all of the supplies that help people attract and enjoy birds in their backyard. Today, there are 300 Wild Birds Unlimited stores in the United States and Canada offering high quality products and customer service to people who love to feed the birds.

Amazing book best pictures I've ever seen

Pictures and descriptions of the birds are spot on - great reference tool.

This book is wonderful. Beautiful pictures. Great suggestions and solutions to attract more birds and keep pests away from your feeders. I am very happy to have this book. I would recommend it to anyone that feeds wild birds - whether they have years of experience or not. Easy reading and lots of information. Thank you Jim for writing this book.

I love this book - great ideas and helpful information.

Best book regarding bird feeding and quick bird identity I have ever read

This was a gift for my husband and he has it at the table all the time now. We have made some very easy feeding changes based on the book and have more birds in our backyard!

I liked this book so much that as the outgoing president of my garden Club I ordered 5 more as gifts for my officers.

Wonderful book! Informative with great suggestions for wild bird feeders, food and glorious color pictures of all the birds. State specific bird lists included. Written with enthusiasm and humor. Am using it as a guide to set up my new birding feeding area.
