Human Services In Contemporary America (HSE 110 Introduction To Human Services)

Synopsis

Reflecting the latest policy and practice changes, HUMAN SERVICES IN CONTEMPORARY AMERICA, 9th Edition uses a unique multidisciplinary approach to deliver a comprehensive overview of the helping field, its available programs, and the practical skills workers can employ. Completely current, the book illustrates how recent governmental policy shifts impact the way human services professionals work. Its presentation of the history and practice of human services through the lens of a social problems and policy perspective is truly unique. As you progress through chapters, you'll see how social, economic, and political issues may affect you as a human services worker as well as the people you serve. Both practical and relevant, the book is packed with captivating, real-life examples that highlight personal experiences as well as options available to legislators (such as national health care). It also provides invaluable information on selected careers within the field, including training and licensing requirements.

William R. Burger is a Full Professor at The City University of New York at Kingsborough

Community College. He has served as the Chairperson of the Department of Behavioral Sciences and Human Services and formerly served as the Director of the Mental Health and Human Services Program. Dr. Burger has developed and taught a range of Human Services courses, has been a guest lecturer at various colleges and universities, and has written guest articles for various newspapers. He is a well-known figure within the Human Services field.

I was a bit concerned to use this book in my course because of all the reviews I read, but I thought this book was easy to read and understand and the information given was so useful. It's a really good book. I'm almost don't reading the whole thing and I would definitely recommend it to anyone. Shipping was fast and arrived as expected. Thank you.

I thoroughly enjoyed this text book. I would strongly suggest anyone interested in a career in human services to read this book.

Excellent reading for those newly in human services or to catch up on what's happening in today's world.

This is not a very easy textbook to read. Lots of reading and deciphering the information. Very hard to find answers to questions in the text.

saved me a lot of money for my school books. Thank you & much appreciation

Speedy delivery and it was exactly like it was described. I was worried about the water damage but it doesn't affect the literature.

A lot smaller than expected. I just need it for a class I'm taking at school and this was the cheapest and quickest shipping for renting.

This book is small & easy to carry to class everyday! Easy interesting reading
