The Inside Story (The Sisters Grimm, Book 8)

Synopsis

After the shocking ending of *The Everafter War*, this book, the penultimate one in the series, picks up with Sabrina, Daphne, and Puck stuck in the Book of Everafter, where all the fairy tales are stored and enchanted characters can change their destinies. The girls (and Puck) must chase the Master through a series of stories, where they're willing to change what they must in order to save their baby brother. Soon, however, they are confronted by the Editor—the book's guardian—who, along with an army of tiny monsters known as Revisers, threatens the children with dire consequences if they don't stick to the stories. As they chase their quarry and dodge the Revisers, they meet Alice, Mowgli, Jack the Giant Killer, Hansel and Gretel, the Headless Horseman, and others. But will they find their brother in time?

Book Information

Customer Reviews

Michael Buckley is the New York Times bestselling author of the Sisters Grimm and the NERDS series. He lives in Brooklyn with his wife and son. Peter Ferguson is a comic book and editorial artist who has illustrated a number of young-adult novels. He lives in Japan.

I love this series. I started reading them with my students and couldn't put them down. Then I loaned them to someone and never got them back, so I had to buy them again!

This book is probably the best book in the series. It has the right amount of everything. It is balanced perfectly and is just outstanding. It has so much excitement and energy with a touch of romance *wink* *wink* that makes me want to keep flipping the pages. This is the kind of book I know that I will read more than once. Thus I'm pretty disappointed that this is the second to last book in the series but I will enjoy it while it lasts.

I couldn't put it down the first time I was reading it! "The Inside Story" is a perfect fantasy novel for me: it has an intriguing plot with battles and mysteries and magic. Nevertheless it doesn't seem too scary: the humorous episodes make it bright and colorful. I am very glad Sabrina finally improves her character and learns how to deal with other people and respect them. In this book, the Sisters Grimm can be called a really good and friendly team. "The Inside Story" is one of the most thrilling books ever! (This is written by my 13-year-old daughter)

My daughter is hooked!

This book is the next-to-last of The Sisters Grimm series, and is as Pucktastic as the rest of them, chasing the now known Master, they travel through the stories everyone knows, as characters such as Alice, Mowgli and King Arthur's knights. Also Puck is planning his and Sabrina's wedding. And, of course, it ends with those ominous words: To Be Concluded...

I love the book so much! I can't put it down! I really do recommend this book to others! Yay

11 year old granddaughter loves the series.....very entertaining,

I've read all of the Sisters Grimm books so far, and I have loved every single one of them! This one was brilliant-as per usual. It was hard to wait a year for this book to come out, but when I finally got my copy-I was really brought back to life. Even though Briar Rose wasn't, my love of reading and fairy-tales has! Puck was so funny in this book. His jokes about Sabrina and his wedding made me laugh out loud. Daphne was so darn cute as usual, and Sabrina very leader-ish. Ooh! Now I'm making up words like Daphne, ha. Overall-awesome book!~Lara
