Otis And The Scarecrow

Synopsis

FROM THE #1 BESTSELLING CREATOR OF OTIS AND THE ILLUSTRATOR OF THE LITTLE ENGINE THAT COULD On the farm where Otis the tractor lives, the farmer has introduced someone new—a scarecrow to shoo away the pesky crows. But when Otis and the animals greet the scarecrow with friendly smiles, the scarecrow’s frown never leaves his face. So everyone leaves him alone. Then one day, when a cold autumn rain sets in, Otis and the animals snuggle close and play Otis’s favorite game: the quiet game. Otis knows the puppy and ducks can’t sit still for long, and soon the farm friends begin to giggle and squirm, feeling warmed by one another’s friendship. . . . but on this day, Otis can’t seem to take his eyes off the lonely figure in the cornfield. A deeply resonant book about subtle acts of compassion and standing up for others, featuring everyone’s favorite tractor, Otis. Praise for OTIS AND THE SCARECROW: "Otis the tractor’s goodhearted nature continues to shine in his fifth picture book." —Publishers Weekly "Readers will enjoy this sixth tale of an admirable leader who does the right thing with quiet confidence." —Booklist "Teachers will see the connection between the lonely scarecrow and the outsider in the classroom and will be able to find many uses for this volume in the curriculum. Oh, Otis. You tried so hard to engage the scarecrow! A great little book, completely enjoyed by the grandson and gramma. The illustrations are superb and like the other Loren Long books, gentle, tender, enjoyable stories. Quick shipping, careful packaging. Thank you for the great transaction.

grandson, Otis, loves these books which carry a wonderful message, are beautifully illustrated and great oversized size.

The kids who use our small local library love the Otis books. I enjoy reading them as well.

Amazing! Otis is a favorite in our house and the artwork in this book is amazing, just like all the Otis books. Otis is such a kind, empathetic soul and everyone can learn from his example. In this book, Otis is particularly good at demonstrating how to be a friend to someone who doesn't conform to societal expectations, and helping the other farm friends accept the new friend on the farm.

A fantastic series of children's books. My now seven year old grand-daughter and I have enjoyed these OTIS books since the first was printed. They have become our personal family favorite books and I'm sure she will treasure them and share them with her children years from now. The illustrations a fabulous and reminiscent of children's books of my youth. Instant Family treasures!

We love other Otis books but this one falls short. It is boring and not the most creative story. The face on the scarecrow is grumpy and mean and that bothers me...why not make it sad or blank?

This is a really cute book in a really cute series. If your child loves tractors Otis is the best and they will be hooked. My son got two Otis books from school and now wants them all. Really a great book to read to little ones and to help promote a love of reading.
