Golf: How To Consistently Break 90

Synopsis

Join the “Elite” Group of Golfers that Consistently Shoot Scores in the 80s! A proven blueprint for breaking 90, not just once, but every time you tee it up! What if there was a simple, proven blueprint for breaking 90, not just once, but every time you tee it up? And all you had to do was execute this simple strategy? What if I could show you how join the “elite” group of golfers that break 90 on a regular basis? Do you think you could shoot lower scores and get more enjoyment out of playing golf? If you answered “YES,” you “ll want to download my Blueprint that reveals all the details including:

- How to quickly create a plan for breaking 90 before you even hit your first tee shot
- The 4 simple skills you need to master to break 90 with any set of golf clubs
- A simple strategy for two-putting every green
- The right way to play every hole (it’s probably NOT the way you’re currently playing golf)
- And much, much more!

Christian Henning

Customer Reviews

There is no miracle wisdom in this book. It is telling you things you should already know. That being said, reading it helped me to actually focus on those items that I already knew and execute them. Admittedly, I broke 90 the next round. My average round dropped from 93 to 82. Is it magic? Probably not. But it makes you think about all the things you already know and try a little harder to achieve them.

This book was disappointing as I thought it was going to give some tips on how to improve my golf but instead it just told me that if I put the ball in the fairway on every shot, put the next shot on the green and two putted, that I would "consistently break 90. DUH! I already know that. I just need to know HOW TO MAKE SHOTS TO THOSE PARTICULAR AREAS. I think the title is misleading since it does not tell how to make my shots get in the areas they mentioned. My swing needs lots of work to hit fairways and greens in regulation.

Great book to help you change your thinking and strategy for golf, especially if you have a high handicap - like me (28).

Good book. Good instruction.

Great

Instructive and useful. I have improved my game from reading this book. I will continue to read it again. Thanks.

Good read. Kind of something to remind ourselves once in a while. A brief note of certain points would help to prepare yourself before the game. This is concise and well written. I would recommend this to anyone who can't break 90.

Ok
