very good Seder book.

This provides plenty of helpful Passover planning tips. The Seder is short but includes stories and

enough background info for kids. There are some great pictures, too.

It had almost everything we wanted/needed in plain language with nice pictures. It was also very easy to add things. I'm very happy with the Haggadah.

Super sweet and perfect for when you want young children to appreciate, rather than endure, their heritage. :-)

written in manner that is interesting to the kids.
