# A History Of US: War, Peace, And All That Jazz: 1918-1945 A History Of US Book Nine

## Synopsis

Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text. From woman's suffrage to Babe Ruth's home runs, from Louis Armstrong's jazz to Franklin Delano Roosevelt's four presidential terms, from the finale of one world war to the dramatic close of the second, *War, Peace, and All That Jazz* presents the story of some of the most exciting years in U.S. history. With the end of World War I, many Americans decided to live it up, going to movies, driving cars, and cheering baseball games a plenty. But alongside this post WWI spree was high unemployment, hard times for farmers, ever present racism, and, finally, the Depression, the worst economic disaster in U.S. history, flip flopping the nation from prosperity to scarcity. Along came one of our country's greatest leaders, F.D.R., who promised a New Deal, gave Americans hope, and then saw them through the horrors and victories of World War II. These three decades full of optimism and despair, progress and Depression, and, of course, *War, Peace, and All That Jazz* forever changed the United States. About the Series: Master storyteller Joy Hakim has excited millions of young minds with the great drama of American history in her award-winning series *A History of US*. Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text, *A History of US* weaves together exciting stories that bring American history to life. Hailed by reviewers, historians, educators, and parents for its exciting, thought-provoking narrative, the books have been recognized as a break-through tool in teaching history and critical reading skills to young people. In ten books that span from Prehistory to the 21st century, young people will never think of American history as boring again.

## Customer Reviews

"[An] exciting series... Ms. Hakim braids multiple narratives together to bring alive material long dead to children's imaginations."--The New York Times Book Review"Joy Hakim didn't rewrite history. But she did make it a whole lot more fun to read."--Education Week"Readers young and old will find themselves amused, amazed, and engrossed by this searching, opinionated survey. In every sense a fresh look at our history." --Kirkus Reviews"Merits every accolade, starting with the most personal: I couldn't put it down."--Washington Post Book World"The liveliest, most realistic, most well-received American history series ever written for children."--Los Angeles Times"A thorough and accurate narrative of our nation's history."--The Philadelphia Inquirer"I think this is the best American history written for young people that I have ever seen."--David Herbert Donald, Harvard University; Pulitzer prize-winning author of Lincoln"When master storyteller Joy Hakim wields her pen, you're in for a breathtaking adventure."--Teaching K-8"An attention to detail and drama alike make these recommended choices for not only readers ages 8-13 but for entire families."--Children's Bookwatch"Absorbing, real and even fun to read."--Voice of Youth Advocates"Books of real substance that speak directly to kids."--Jean Fritz, author of Shhh, We're Writing the Constitution"One of the best nonfiction series of the decade. Impossible to put down."--School Library Journal

Joy Hakim, a former teacher, editor, and writer won the prestigious James Michener Prize for her series, A History of US, which has sold over 4 million copies nationwide. A graduate of Smith College and Goucher College she spent years teaching students from elementary school up to the college level. She also served as an Associate Editor at Norfolk's Virginian-Pilot, and was an Assistant Editor at McGraw-Hill's World News.

Breaking the textbook mold, "A History of US" contains none of the intimidation that comes with behemoth texts. It tells the tale of America in 10 user-friendly, small, illustrated books written in a personal tone, as if the author were a storyteller. (An 11th source book, with original documents, is also available.)From woman's suffrage to Babe Ruth's home runs, from Louis Armstrong's jazz to

Franklin Delano Roosevelt's four presidential terms, from the finale of one world war to the dramatic close of the second, "War, Peace, And All That Jazz" presents the story of some of the most exciting years in U.S. history. With the end of World War I, many Americans decide to live it up, go to silent flicks, drive cars, and cheer their favorite baseball teams. When Depression strikes the good times dampen--jobs are hard to find, farmers are in trouble, and racism won't seem to go away. Along comes President F.D.R., who promises a New Deal, gives Americans hope, and then sees the nation through the horrors and victories of World War II.

The book is not anything like the concise versions by Joy Hakim, that the brick and mortar schools use. This book is very thin and skimpy. My teens are in late middle school/ high school and it looks written for elementary students. However, I haven't bought the whole set, because I wanted to see for myself first. I like Joy's style of telling a story and agree with most of her opinions on things. If you don't like history being told like a story with author's opinions and you don't mind a shorter version of the concise series, then this book is for you.

Good

We love this series of books. They contain interesting, often off the beaten trail history which is enjoyable to read and the plus side is, you are learning something you probably have not read in any other history book. We use them as a supplement to our High School US History curriculum.

Excellent publication

Strangely written book. I understand it's meant for kids but even then, history is history. I expected the language to be lighter than standard history books, but this is way over the top. Too fruity and poetic in writing style. Author deviates from the flow to focus on strange highlights that are not so important from a historical perspective, and then rushes through some that I would think were more important. Very strange book, not recommended.

I am giving this book 5 stars. I would give it 10 if I could. The history is very easy to read to children and keeps their attention. I am going to buy the series. Great value for a used book. Was in very good condition and shipping was very fast.

Purchased this for grandsons (ages 7-19). They so much enjoy both pictures and text. Even the older brothers pick it up and read!
