Paul Kligfield, M.D., is Professor of Medicine at the Weill Medical College of Cornell University and Director of the Cardiac Health Center in New York City. He is the graduate of Harvard Medical School and author of The Cardiac Recovery Handbook.

thanks

Written 10 years ago, it is good for the times; but with the restrictions after CABG surgery this book

does not meet my needs. If you're just looking for healthy recipes, go for it!

Lots of good information in this book. Very much needed going through all of this confusion and change in my life. Thank you.

Loving the easy and healthy recipes!

Afraid to eat after having a heart attack? This book will put you at ease and give you wonderful recipes to get you through it.

Wasn't quite what I expected. It was okay. I still use it.

My grandma started using right away said the recipes are pretty basic and easy

Very detailed cookbook and perfect for someone recovering from heart surgery. Highly recommend if you have heart issues.
