Avid surfer and nature-lover Kevin Whitton has traveled extensively throughout Mexico, Indonesia, and Australia. He's volunteered as a trail guide in a private Costa Rican rainforest preserve and as a snowmobile guide in Colorado's Rocky Mountains. When confronted with the choice between living in the mountains and visiting the beach, or living at the beach and visiting the mountains, Kevin refused to choose, deciding to call O'ahu home instead. Now when he waits for a wave at one of his favorite windward or North Shore surf breaks, he can gaze at the verdant mountains and revel in the best of both worlds. Kevin is the author of the award-winning *Green Hawai'i: A Guide to a Sustainable and Energy Efficient Home* and *A Pocket Guide to Hawai'i's Botanical Gardens*. He writes for Hawai'i's most notable regional publications, is active in the islands' surf media, is the managing editor at Element Media, and is the co-founder and editor of *GREEN: Hawai'i's Sustainable Living Magazine*.

AAA Seller -- very helpful guidebook.
