# Medikidz Explain Kidney Transplant: What's Up With Jonah?

## Synopsis

Jonah is a typical boy, he likes his friends, he likes video games, but he certainly does not like taking his new medicine. His dad is constantly nagging him to take tablets, which is really ruining his fun. He has a new kidney now so why bother? Luckily the Medikidz are on hand to help. They take Jonah on a trip to Mediland where they show him how the new kidney works.

## Customer Reviews

Definitely comic book style. Had hoped to share with a class room but a little difficult with the lay out of pictures and story. But worth it for individual.
