Chilling Adventures Of Sabrina #4

Synopsis

There are some things in this world that mortal eyes should never witness -- that's a lesson poor HARVEY KINKLE will learn the hard way, when he makes the unfortunate mistake of intruding on the darkest of ceremonies -- an offense that the witches' coven takes very seriously... Though HARVEY's life hangs in the balance, it is the SPELLMAN family that will come face-to-face with TRUE EVIL. Indeed, the choices made by teen-witch-in-training SABRINA on this dread night will determine the fate of every living soul in Greendale...

Customer Reviews

Awesome artwork and story line. If you are new to graphic novels and you are into witch stories, this is for you.

Omg I'm so sad :(I feel so bad for Sabrina, she didn't deserve any of what happened, and I wish this didn't happen to Harvey.

Clever little tie-in. I thought it was going to be a one off earlier in the series, but hopefully it

continues.

Good but dark. Nice artwork and quite a twist on the original story but if you like the Sabrina series, it will keep you reading to find out what sort of changes they do to the story line.

good story and artwork is good

Really emotional issue, great content and exposition! Can't wait to read the next one! I wish this was a full series

The art style is phenomenal and the revision of such a classic series is amazing. I'm here for it fam.

Like it. Seems like anew take on an old comic. It would be better is she was like Willow from Buffy.
