## Customer Reviews

Great Book!

Babies love it!

Another favorite of my grandson!

I purchased 12 of these and used them as party favors at my son's 3rd birthday celebration. The kids loved it and the parents too!

Grandson loves anything to do with Cars. This was perfect for getting a 3 year old interested in books, Must get for any child who loves Cars to inspire reading.

great book

start with Cars. Any child that likes Cars will like this one. The illustrations are excellent. One of my son's favorite stories.

This book is really cute but it started from the beginning again in the middle of the book... Obviously a misprint
