Who Was Edgar Allan Poe?

Synopsis

Filled with broken hearts and black ravens, Edgar Allan Poe's ghastly tales have delighted readers for centuries. Born in Boston in 1809, Poe was orphaned at age two. He was soon adopted by a Virginia family who worked as tombstone merchants. In 1827 he enlisted in the Army and subsequently failed out of West Point. His first published story, "The Raven," was a huge success, but his joy was overshadowed by the death of his wife. Poe devoted his life to writing and his tragic life often inspired his work. He is considered to be the inventor of detective fiction and the father of American mystery writers. His work continues to influence popular culture through films, music, literature, and television.

Customer Reviews

Jim Gigliotti is a freelance writer based in Southern California. A former editor at the National Football League, he has written more than 50 books for all ages. His writing credits include biographies for young readers on Olympian Jesse Owens and baseball star Roberto Clemente.

Who Was Edgar Allan Poe? Edgar Allan Poe walked briskly down a New York City street one winter day early in 1845. A young boy spotted the famous writer. Soon another boy noticed him, too. And

then another. One of the boys took a stick and hit Edgar on his heel. “Caw! Caw!” the other children shrieked, flapping their arms like birds.

Learned so much about Edgar Allan in this simple book. Will definitely help me write my research paper on him.

Another great edition from the "Who Was..." Series. Great introduction to Poe for young fans or any age fans who want a quick overview of the man who put mystery and macabre on the literary map!

This line of books is awesome! Not too long but it is packed with a lot of info!

My grandson loves this book. He is going to be Edgar Allan Poe for Halloween.

These books are great for young and old. Perfect small bite or synopsis to inform and entertain.

Love the covers they make the book

Bought this for my grand-daughter for school

very good series
