Customer Reviews

The birthday girl enjoyed it. She turned 4.

I think this would be a good diversion during car trips or flights. My niece (7) enjoyed this book, but it only kept her busy for 15 minutes before she had placed all the stickers. The stickers were all bright and good quality.

Granddaughter loves the book.

Very pricey for what you get.

Very few pages

My granddaughters loved them! Tons of nice stickers!

Our granddaughter loves it.

Granddaughter liked it very much.
