Customer Reviews

>Book review of Dark Warrior's Promise>I am an independent reviewer. This book is the 8th book in the Children of the gods series and ends in preparation for a major battle. Nathalie finally learns the truth about the immortals. All of the immortals are banding together to save one of their own, a female, from the sadistic clutches of the enemy. So much is happening in this book. There is the ultimate love story with Andrew and Nathalie, the deep friendship between Andrew and Bhathian, the reveal of all the secrets regarding the immortals and Nathalie's parentage, the kidnapping and torture of Carol, the alpha tendencies of Andrew, Kian and Jackson, the humor of Vlad and the hacker to name a few.>Out of the whole series, this book was by far the best. The romance was hot, the threats finally came to pass, the friendships and humor really took off. I can't wait for more. This book is appropriate for an adult audience. I am giving the book 5 stars.

A new series for me and I devoured these books quickly. I rarely give 5 stars, but these books deserve it! I loved the character development, which moved the stories forward. These are vampires in a different way, not that you forget that they are but it's not overly in your face. I have not read the last book in this series, but I will be shortly. What I also really liked was that the previous characters appear throughout the entire series, which is nice for me to know about their ongoing struggles, stories. READ THIS SERIES!

Each one just gets better. I love this series. I was offered the first one for an honest review. Wow, I loved the book and was ready for number 2 and I was hooked. Each story has something a little different and I ordered this book today and finished it in 6 hours. My husband wanted to know what I was reading that was so fascinating! I was trying to cook dinner and read at the same time! Not easy but I had to see what happened. Please write faster Ms Lucas because the beginning of the next book was just a tease. I want the whole thing.....now. :)

Each of the books is well written and focuses on different characters of the "children of the gods" extended family. Fascinating, addictive.

This book is part of 'The Children Of Gods' series. I enjoyed the fast pace and the characters are interesting.

For anyone who loves to read paranormal romances.....book #8 Dark Promises....the Children of the Gods.....the author creates a story line which draws the reader into making a connection with the characters. I enjoyed every book in the series and this one is right with all of them....I would suggest reading the first in the series to get a good background of how it all started "Dark Stranger, the dream".....excellent reading.
