## Synopsis

In utter disbelief Miss Marple read the letter addressed to her from the recently deceased Mr Rafiel - an acquaintance she had met briefly on her travels. Recognising in Miss Marple a natural flair for justice, Mr Rafiel had left instructions for her to investigate a crime after his death. The only problem was, he had failed to tell her who was involved or where and when the crime had been committed. It was most intriguing.

## Customer Reviews

Agatha Christie is known throughout the world as the Queen of Crime. Her books have sold over a billion copies in English with another billion in over 70 foreign languages. She is the most widely published author of all time and in any language, outsold only by the Bible and Shakespeare. She is the author of 80 crime novels and short story collections, 20 plays, and six novels written under the name of Mary Westmacott.

I love Agatha Christie's Miss Marple and this audio book is good adventure to listen to.

Love it when Joan Hickson does the reading. Won't buy any other narration.

A good Agatha Christie!

I do not own this audiobook, but have listened to it twice. Frankly, I don't find it up to Dame Agatha's

usual standards, although the plot, once unfolded, has an intriguing premise. I felt that the story really dragged at the beginning, and took a long time to grip my interest.
