excellent!

NICE LITTLE BOOK WITH MANY GOOD TIPS WHETHER NEW TO CHESS OR JUST STARTING. CLEAR COLORFUL ILLUSTRATIONS.

I learned basic chess strategy from this book a long time ago. I gave my copy away. This copy was to give to another young man. It's still a great beginner book.

Only for beginners.

First found this book in the children section of the public library. This is a must for the absolute and should have also been in the adult section of the library. I wanted a permanent copy of my personal library.

This book have lots of nice artworks and diagrams in every page. Contents is very easy to follow. It

teaches about rules, simple plans and tactics. A good starting point for an absolute beginners both kids and adult.
