The Baker Illustrated Bible Dictionary

Synopsis

In the pages of the Bible, we come to know God through Jesus Christ. Thus the importance of the Bible for our spiritual formation cannot be overstated. If we are honest, though, the Bible is not always easy to understand. For example, the places named in the Bible can seem strange, and the number of people mentioned is virtually countless. This comprehensive dictionary intends to help people read the Bible with increased understanding and confidence. It contains articles on major topics as well as places and people, even if they just appear in a single verse in the Bible. Its articles cover theological topics, biblical words, biblical imagery, and historical topics. This A to Z dictionary includes more than 1,700 full-color pages, 400 color illustrations, maps, and photos. 5,000 articles by leading evangelical scholars. The Baker Illustrated Bible Dictionary is an informative, colorful, and easy-to-understand resource that will be an indispensable reference for your own personal study or in preparation for teaching.

This is a quality Bible dictionary with clear and concise articles and wonderful illustrations. Right now I'm going to Bible school, and this dictionary has been a consistent help on every topic where I have found an article, and I'm frequently surprised by the topics I find that I've never even thought of! The articles address places, names, books of the Bible, theological topics, or general biblical words or ideas. The cover, arrangement of the text, pictures, and the gloss of the pages is outstanding. This book should not be viewed as highly scholarly; it does not provide the names of each author for each article, nor does it provide bibliographic suggestions for further study; but it does give quality information on each topic addressed, very nicely presented. This is a welcome addition to my library, and I would recommend it to anyone looking for a resource or study aid made at this level.

This is a great resource. I purchased the Kindle edition for portability. Works great for that purpose but navigating the dictionary in Kindle version is cumbersome.

The book is good with no complaint. I'm just curious why there is a blue line drawn by a sharpie marker on the lower ridge. It's not printed. I'm sure it's drawn by hand. I also bought Baker's Bible Handbook and Baker's Bible Commentary. There is always such a line hand drawn by a blue sharpie marker on the lower ridge of the book. I bought all these three Baker's books from three different sellers on .

It's a bit difficult to navigate on the Kindle, but the content is great. It Comes recommend by my professor

A great Bible dictionary with loads of info. for a serious student of the word. This book will keep you busy for many long hours of study, research, and knowledge.

This has been incredibly helpful for my studies! I bought this book for by Biblical Hermeneutics class and it has been very helpful.

I find this to be concise, evangelical, and soundly Biblical. I would rrecomend this book to pastors, sunday school teachers, ad those who wish to know the depth and richness of Holy Scripture.

The dictionary has been extremely helpful. I highly recommend it to all.
