Introducing The New Sexuality Studies: 2nd Edition

Synopsis

Breaking new ground, both substantively and stylistically, *Introducing the New Sexuality Studies*, 2nd Edition offers students and academics an engaging, thought-provoking introduction and overview of the social study of sexualities. Its central premise is to explore the social construction of sexuality, the role of social differences such as race or nationality in creating sexual variation, and the ways sex is entangled in relations of power and inequality. Through this approach the field of sexuality is considered in multicultural, global, and comparative terms, and from a truly social perspective. The second edition of this definitive textbook consists of over seventy-five short, original essays on the key topics and themes in sexuality studies. It also includes interviews with fourteen leading scholars in the field, which convey some of the most innovative work currently being undertaken. Each contribution is original, presenting the latest thinking and research in clear and accessible terms, using engaging examples to illustrate key points. This topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies, gender studies and LGBTQ studies.

Customer Reviews

Steven Seidman is a Professor of Sociology at the State University of New York at Albany. His books include *Romantic Longings: Love in America, 1830-1980* (Routledge, 1991), *Embattled Eros: Sexual Politics and Ethics in America* (Routledge, 1992), *Beyond the Closet* (Routledge, 2002), and *The Social Construction of Sexuality* (W. W. Norton & Co, 2003). Nancy Fischer is an Associate Professor of Sociology, and the Director of Metro-Urban Studies at Augsburg College in

Minneapolis, Minnesota. She is a former chair of the American Sociological Association's Section on Sexualities. She has written about incest, urban sustainability, and is currently working on a project on the social meaning of second hand and vintage clothing. Chet Meeks was an Assistant Professor of Sociology at Georgia State University in Atlanta, Georgia. He was a queer theorist and taught courses in Sociology of Sexuality and Social Theory at Georgia State (and previously at Northern Illinois University). His published works include *Civil Society and the Sexual Politics of Difference* published in *Sociological Theory*, as well as the co-edited *Handbook of New Sexuality Studies* (Routledge, 2006). He passed away in 2008.

A collection of riveting articles suited to anyone wanting to engage in the study of Sexuality and Social Construct. Plus the language is very common and not so highbrow, making it accessible.

Great book! Exactly what I was looking for!

Great read for class

Good book.

.com rental book. A little worn but worth the price.

Love this compilation! The interviews aren't as useful for me but the articles cover a lot of topics and issues.

Delivered Quickly and was as listed.

It's an amazing well-structured book with articles and some interviews that make the book neater to read and learn. It's reviews are highly academic but easy to understand anyone.
