Baby Bear: Finger Puppet Book (Finger Puppet Books)

Synopsis

What does Baby Bear eat when he's hungry? Follow along with this cute baby animal as it experiences its world, from playtime to bedtime. This simple, comforting story features a permanently attached plush finger puppet and peek-a-boo holes in every page, giving parents and children a fun, interactive way to play and read together.

Customer Reviews

Yu-hsuan Huang, also known as Smallx2, is an illustrator and artist from Taichung City, Taiwan, where she lives with her family and cats.

My grand daughter loves the finger books. I have to read them over and over again.

This book is absolutely adorable - I plan on ordering the rest. Baby isnt here yet, but heck my husband and I were entertained for about 30 mins playing with it together so, worth it no matter what *laughs*.

Cute little book

Very cute!

This is a really small book. It's cute but you're basically poking a finger from the back and awkwardly turning pages over your finger. I'll stick it in my granddaughter's stocking but I don't think it will become a favorite.

It was smaller than I expected, but still cute. I got it as a gift for someone else, so I was disappointed in the size. In hind-sight, I think I didn't do enough research prior to selecting the gift.

What a cute book with a little finger puppet that can interact with your baby!

Super cute board book . But much smaller than I thought .
